## **Project New Beginning**

A nonprofit foundation established to help give hope and purpose to those less fortunate in the country of Uganda. We will begin by providing clean drinking water, food, a Church, and finally a Technical School in which a trade can be learned in order to find employment. We seek to break the generational cycle for many and allow growth for many to seek their dreams.

Please help however you can with our 2022 budget listed below:

Land: 1. Land / Acres: 7 (with the possibility of 11 acres) 2,000.00 per acre 2. Survey: 3. Real Estate: 4. Government:	- 14,000.00 - 1,498.00 - 600.00 - 400.00
